

2017 Chris Le Conte Award for Achievement in Guernsey's Insurance Industry

GIIA is delighted to announce the 2017 Chris Le Conte Award to honour the memory of the late Chris Le Conte.

The successful recipient of the award will have contributed towards a significant project, development or innovation, either individually or as part of a collective, that benefits Guernsey's Insurance industry and will be under 40 years old.

We need your help to recognize individuals that have shown exceptional commitment. Nominations will be limited to one per GIIA member.

Nominations should be submitted in one or two paragraphs to gii@gii.gg by 31 March 2018. The winner will be announced at the GIIA Annual Dinner. The winner will receive the 'Chris Le Conte Cup', together with a cash award of £1,000 kindly funded by Robus.

Nominations are due by 31 March 2018

The GIIA committee will have responsibility for making an adjudication to select a winner. Where there are multiple nominations and there is no clear outright winner, the sitting chairman of GIIA shall have the casting vote. In the event of a conflict existing eg because a nominee works for the same firm as the Chairman, the decision will default to the Deputy Chairman or another officer of the committee if the Deputy Chairman is also conflicted.

Please contact gii@gii.gg with any questions.
